

COMMUTER ALERT

16-073

Date: Monday, May 16, 2016**District:** 8 – Riverside/San Bernardino**Contact:** Philip Havins**Phone:** (909) 383-4631**FOR IMMEDIATE RELEASE****BE WORK ZONE ALERT!**

INTERSTATE 15 INTERCHANGE PROJECT CONTINUES IN VICTORVILLE

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues work to reconstruct the interchanges at Stoddard Wells, D Street, and E Street and widen the Mojave River Bridge on Interstate 15 (I-15) in Victorville. The \$71 million project was awarded to Ames Construction.

In anticipation of higher than average traffic volumes on Memorial Day weekend, Caltrans and Ames Construction will perform necessary sewer and concrete work on D Street in the City of Victorville this week. The nature of the concrete work is such that the material needs to set for a period of time prior to use. Lane closures are necessary to separate live traffic from the construction area.

One lane will be closed on **westbound** D Street from **Monday night through Friday morning**, beginning at 8:00 p.m. on Monday, May 16. One lane will also be closed on **eastbound** D Street from 8:00 p.m. to 8:00 a.m. on from Monday night to Friday morning. **Westbound** D Street will require one lane to be **closed at all times from Monday night through Friday morning**, while **eastbound** D Street will be **open for a 12 hour period, beginning at 8:00 a.m., and closing again at 8:00 p.m.**

Please be aware of the work and **SLOW FOR THE CONE ZONE.**

Motorists are advised to use alternate routes. Advanced warning signs will be placed to indicate closures. **DELAYS ARE EXPECTED** so plan ahead and rideshare if possible.

Know before you go! Visit <http://www.dot.ca.gov/dist8/Project-I-15-Victorville-Interchange.html> for more information on the project description and scope of work. To stay on top of roadwork in the Inland Empire go to www.caltrans8.info and sign up for commuter alerts. View traffic conditions at <http://quickmap.dot.ca.gov>.
